

Coach Selection Policy

Prior to each season, anyone interested in coaching for GLRSA/Boilers FC must register with the club. Each individual will be subject to a background check and be required to complete the training courses expected by USA Soccer, Indiana Soccer and GLRSA/Boilers FC. Once these steps are completed, GLRSA/Boilers FC will make final selections of head coaches and assistant coaches. These selections will be made based on individuals GLRSA/Boilers FC determines are the most appropriate to coach and serve as representatives of the organization.
