

Refund Policy

GLRSA/Boilers FC has a NO refund policy. Once you register your child for our program, we will not refund your money if you later decide to withdraw your child. Due to the low cost of our program and the administrative work needed to complete such a refund, the board of directors has adopted this policy. As a non-profit organization, we will use your funds to help promote and advance the mission of the organization within our community. Refunds to due serious injuries are reviewed on a case by case basis (a 100% refund is not guaranteed).
